Saratoga Hindu temple is launching a temporary new location, St. Archangel Michael Serbian Orthodox Church. The Church Board has so graciously invited us into their home, on a need to use basis. We are very fortunate to live in a community like ours with such welcoming and friendly neighbors; cannot thank them enough.

We are kicking-off at this new location celebrating Cheti Chand/ Gudi Padwa/ Puthandu/ Ram Navami/ Ugadi/ Vishu/ Vaisakhi today. Lots of different celebrations of the same are converging today, to bring together our community for a fabulous kick-off and to provide glimpses of such festivities for the next gen.

We celebrate the festival with so many different names; let us celebrate our oneness too!

Our Mission:

Build a Unified, Spiritually Rich, Healthy and Vibrant Community
